

De dieren voeren!

Heb jij altijd al de dieren willen voeren? Nu kan dat!

Wat heb je nodig?

- download: dierenvoertelkaartjes
 - Lege bakken/tonnen
- Dierenvoer of rijst/mais/bonen
 - Een of meerdere schepjes
 - weegschaal
- Verschillende labels met vormen
 - Dierenknuffels

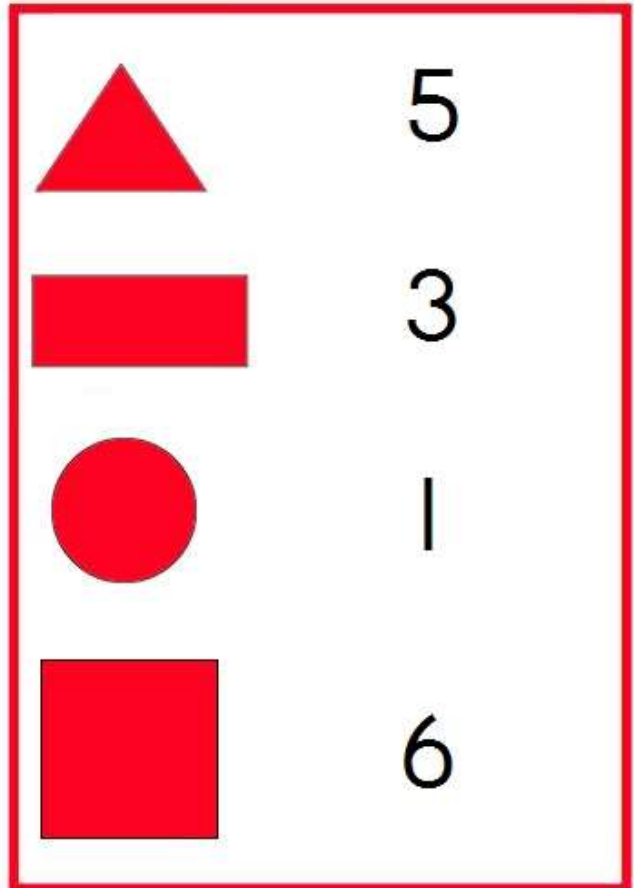

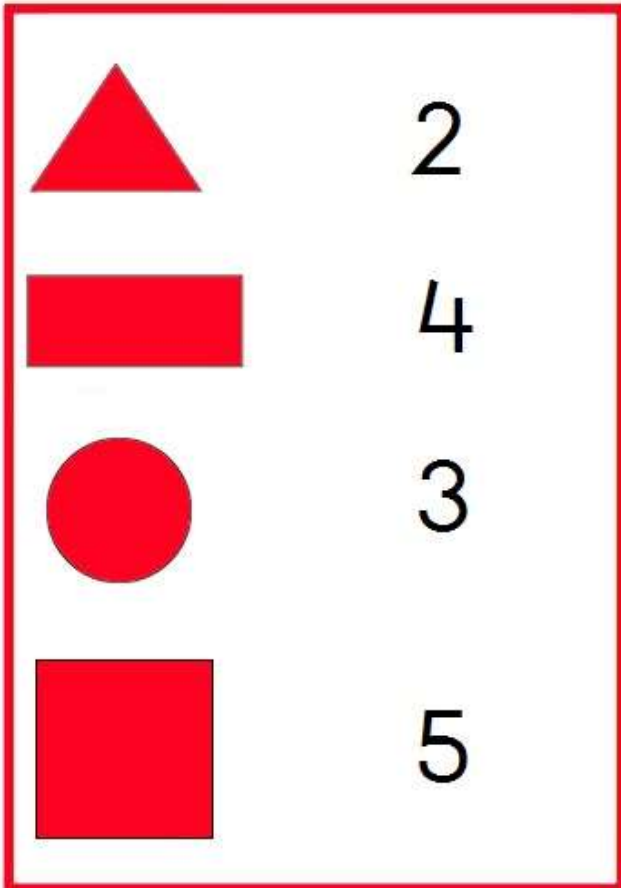

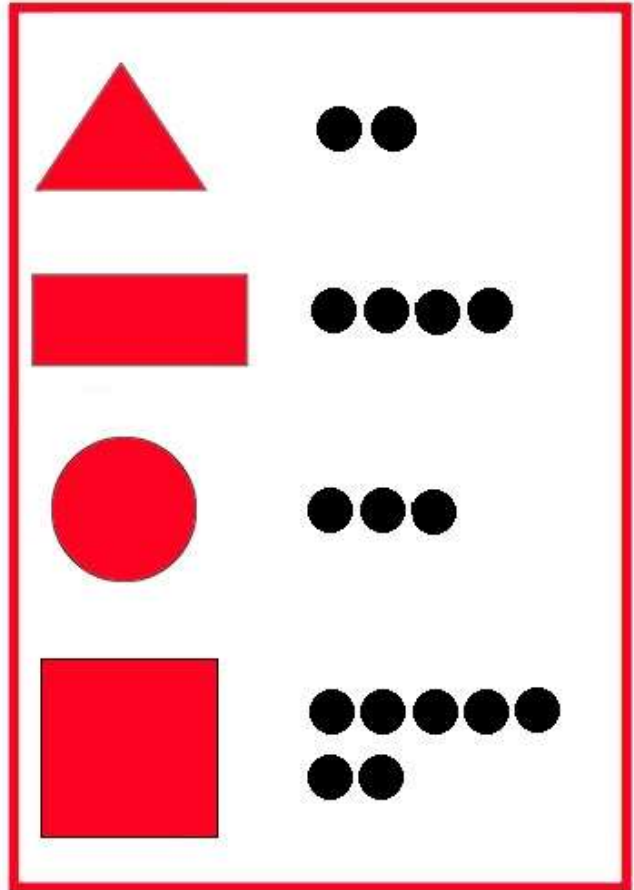

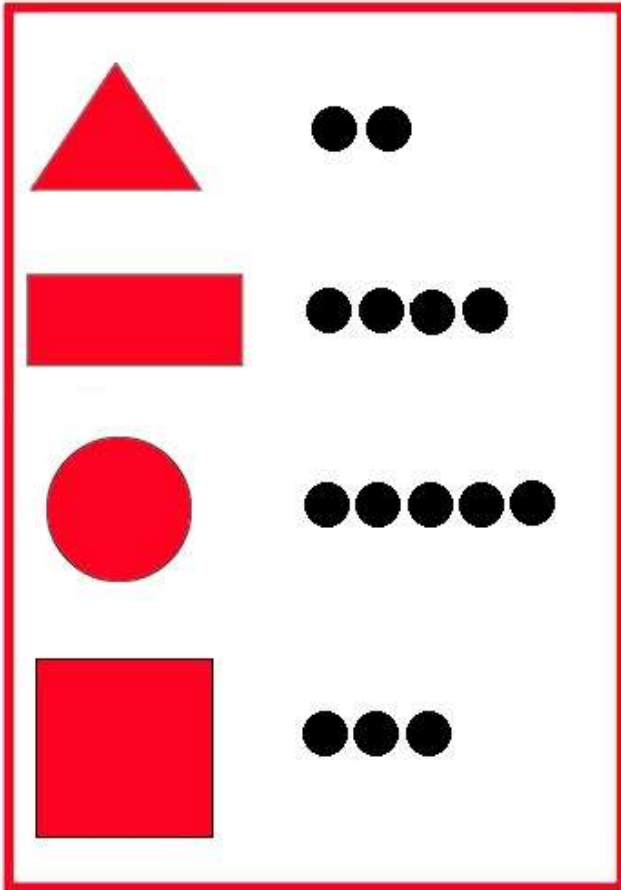

Hoe gebruik je het?

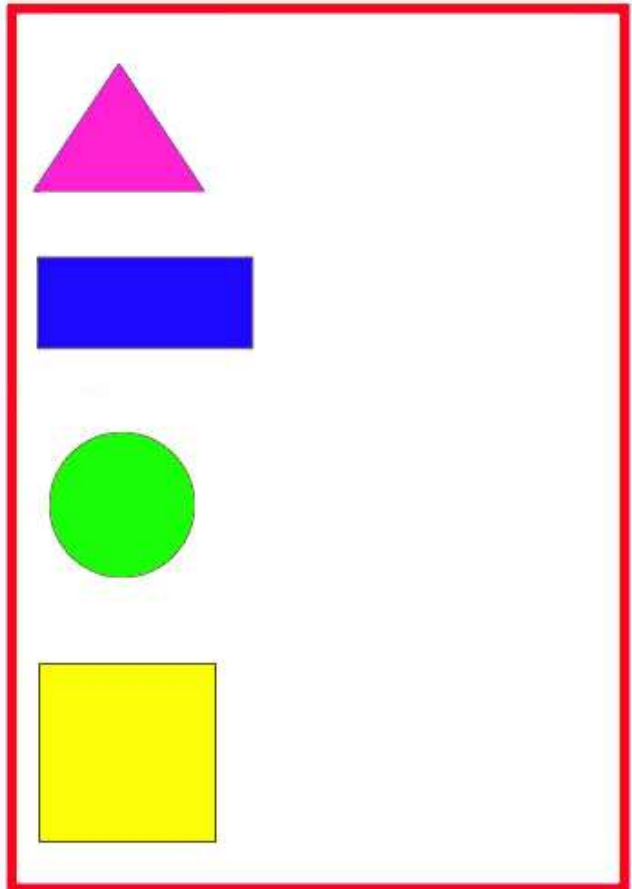

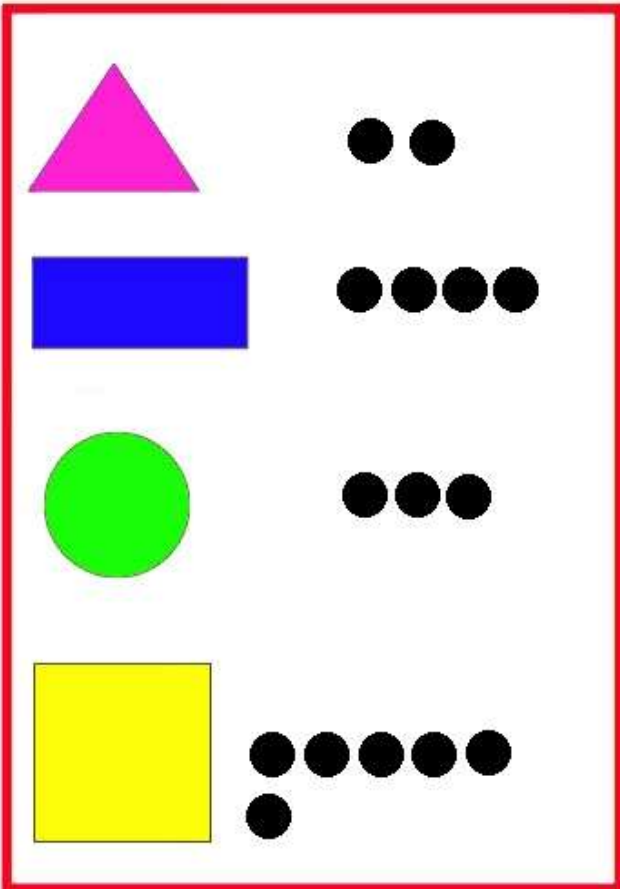

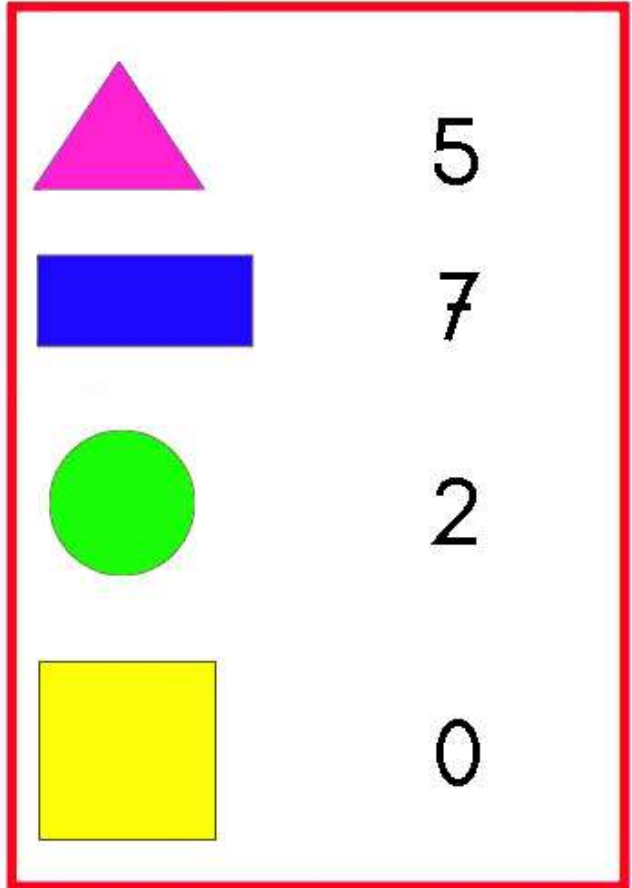

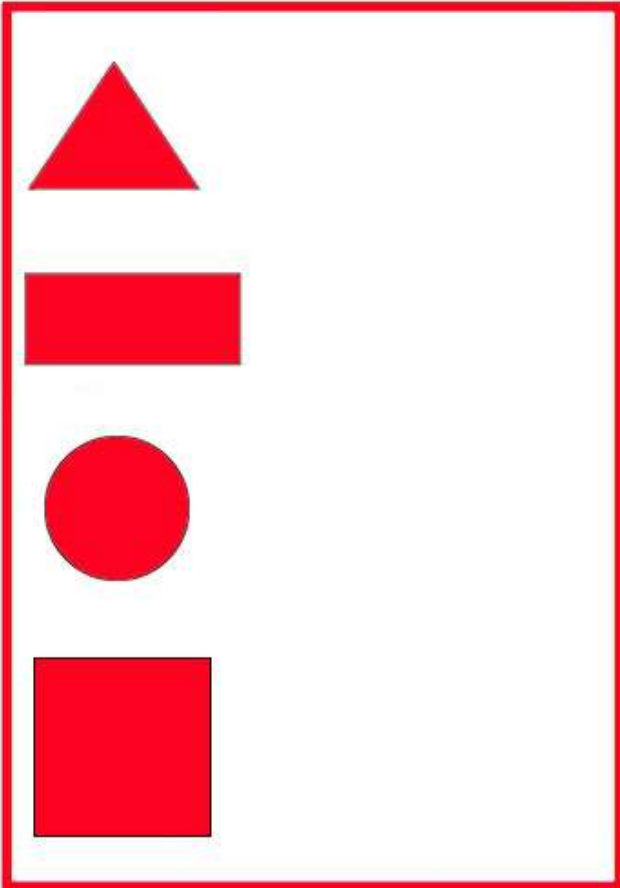

Tijdens deze activiteit leren de kinderen dat dieren de juiste hoeveelheid voer nodig hebben. Je zet een aantal bakken en tonnen klaar met een inhoud.

Laat de kinderen nu de juiste aantal scheppen pakken uit de juiste bak of ton. Wanneer het dierenvoer is samengesteld kunnen de kinderen nog wegen. Welk dier krijgt er meer/minder, maar is dit ook lichter/zwaarder?

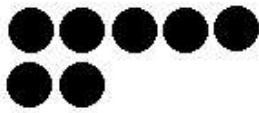

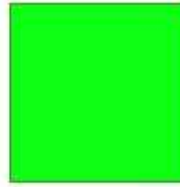

Hierna kunnen de knuffels dan echt gevoerd worden!
